## **Work and Age** related by Glen L. Rudd

On Monday, September 17, 2001, Elder David B. Haight called me on the phone. He congratulated me for the picture in the Church News of me standing by the grain elevator (at Welfare Square). The reason he called me, however, was to remind me that he wanted to go to Welfare Square and go on a tour with me as the tour guide.

Elder Haight (at that time) was 95 years old and Ruby (his wife) was 91. She was in good health, but he was worried about her because she didn't have enough to do. He thought maybe we could find her a job at Welfare Square so she could go regularly and give some service. I could not help but smile to think that here is a member of the Quorum of the Twelve Apostles, then over 95, and he was concerned about his 91-year-old wife not being busy enough. What a tremendous example of welfare principles.

## **2018 Scholarships**

We are currently accepting scholarship applications for consideration for the Fall of 2018. Our deadline is Friday, April 27th. As we receive these applications, it is great to see so many who are working hard and deserve this help. A copy of the application is posted on our website for anyone to be able to access and print. The majority of our applicants are Seniors in high school who are about to attend college for the first time. However, we feel that anyone enrolling in an institution of higher learning is eligible to apply, regardless of their age. These institutions of higher learning can include any type of post high school education. (For example, trade school, technical school, business school, college, university, etc.) We are very thankful to all our donors, because without the funds, the scholarships would not be possible. We hope to be able to give away more and more each year as we continue to grow.

## **100 Years... A Legacy of Service**

May 18, 2018 would have been Glen L. Rudd's 100th birthday. Although he is no longer with us, we want to honor his life and the legacy of service that he lived. Join us as we continue in his footsteps of service. During the coming year we will be doing various acts of service in 100's of ways. Need some ideas? Donate \$100 to the Glen L. Rudd Scholarship fund, donate 100 cans of food to your local Food Pantry, 100 hours of yard service for the elderly, 100 hours spent on Family Search, then taking those name to the Temple, 100 notes of gratitude written to those who have inspired you, 100 hours spent visiting the elderly, lonely and sick, 100 smiles to a stranger. There are 100's of things that can be done. What can you give? E-mail us ([dave@glenrudd.org](mailto:dave@glenrudd.org)) with your ideas of what you plan to do.

## The Great Closet Clean Out

The Glen L. Rudd Foundation had a very successful service project this past September 2017.

The Rudd family was invited to clean out their closets, drawers and shoe racks and donate their out grown items to the local Deseret Industries, Good Will, Homeless Shelter or any other donation centers. We were able to donate a total of 2,464 items.
